Good Morning Rudy,

I meet Steven too .  
 He is near me in the cupboard and he is very nice .  
 He told me about his life when he was waiting behind the window of the shop at Fort de France beach .  
 And one day Steven became our new friend!

See you soon!

Kate,

I am in France and I visit the capital .  
 It's winter in France, it's snowing and I'm very cold .  
 I think I am jealous .  
 Can you come to Paris or Eurodysney for a week end ...  
 Not Eurodysney, it's too expensive .

Remember , it's soon Valentine's Day !

With all my love .

Your sweet Rudy
